Q: 1. Which course are you most excited for in your degree? Which course have you enjoyed the most so far?

A: I look forward to taking "ECE 419: Image Sensors and Systems", and a course I enjoyed was "CS 120: Computer Science I"

Q: 2. Leave any feedback on the clarity of the expectations, instructions, and deliverables.

A: It is not clear that we are to save our lab reports on github, with a link that the lab instructor can access it, in addition to submitting all of the work on canvas with the submission referencing the github.
